"Untold Agony from Catarrh." Prof. W. HAUSNER, the famous mesmerist, of Rhaen, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I coul barely speak above a whisper. In the morning, my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting," Thomas J. Rushing, Esq., 2002 Pine Street, St. Lonis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to [ry Dr. Sage's fatarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh. ELI ROBBINS, Rungan P. O., Colembia Co., Pa., says: "My daughter had entarth when she was five years old, very badly. I saw Dr. sage's Cutarth Remedy advertised, and precured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now righteen years old and sound and hearty,"
